

Inclement Weather & Game Rescheduling Policy

1. Inclement weather shall be any weather condition in which the playing of a game will be prohibitive or dangerous. Examples of inclement weather include lightning, severe rainfall, tornadoes, hail and flash flooding.
2. The source data to track potential inclement weather and to determine whether games are cancelled shall be Weather Radar's Foxwarren, MB station found on Environment Canada's Weatheroffice website:
http://weatheroffice.gc.ca/radar/index_e.html?id=XFW
3. The Communications Director shall be responsible for determining and announcing game cancellations. In the Communications Director's absence, the President shall have this responsibility. The Communications Director (or the President) may also consult with other Executive members and/or Captains before announcing game cancellations.
4. Game cancellations shall be announced between 4:00pm and 5:00pm local time on the day said game(s) are originally scheduled to occur.
5. Should inclement weather occur during a game, a time-out may be called by any player pursuant to Official Rules of Ultimate: 11th Edition (ORU11), VI.D.
6. Should it be safe to resume play before the soft cap is reached, play shall resume in accordance to both ORU11, VI.D.4 and WUDL's cap rules.
7. Should conditions not improve before the soft cap is reached and the game is suspended before half-time (in accordance to WUDL rules) is reached, the suspended game shall resume and be completed on a rain date in accordance to ORU11, VI.D.4 and, if applicable, WUDL's cap rules.
8. Should conditions not improve before the soft cap is reached and the game is suspended after half-time (in accordance to WUDL rules) is reached, the suspended game shall be deemed to be concluded and the score at the time of suspension becomes the final score. Should the score differential be less than two (2) points, the game shall be deemed a draw.
9. Should a rain date due to inclement weather or insufficient turnout be necessary, a game shall be rescheduled in the following order:
 - a) The Thursday immediately after the day said game was originally scheduled to occur;
 - b) If "a" is not possible, then the next available Thursday after the day said game was originally scheduled to occur; and
 - c) If both "a" and "b" are not possible, then on a date agreed by the captains in consultation with their respective players.
